

Citrus Heights Police Department

Join the Fight against Graffiti

Graffiti is an unattractive public nuisance, and diminishes the quality of life in our neighborhoods.

The fight against graffiti is one involving the efforts of the City of Citrus Heights, the Citrus Heights Police Department, and the community. One effort is the rapid identification and removal of graffiti.

The prompt removal of graffiti has been shown to reduce reoccurrences of graffiti by reducing the notoriety of the vandals. This will also help reduce the likelihood of copycat vandals.

The Citrus Heights Police Department is committed to providing high quality and prompt service to the community. Please report graffiti using the following methods:

- Call General Services at (916) 727-4770 to report graffiti on public property
