## Addendum to Blueprint Activity & Business Tiers Chart – Tested and Fully Vaccinated Individuals and Sections

### FULLY VACCINATED VISITORS AND SPECTATORS

- Fully vaccinated persons from out of state may visit or attend activities or events that are restricted to in-state visitors. Fully vaccinated persons should consult the current [CDPH Travel Advisory](#) and adhere to any applicable recommendations.

### FULLY VACCINATED WORKERS

- Where capacity limits exist, fully vaccinated workers do not count toward any occupancy capacity limit.

### VENUES WITH FULL TESTING/VACCINATION – CAPACITY BONUS

- Venues that have fully vaccinated or tested negative attendees only may increase their capacity as follows, unless a different capacity limit is specified for that sector in the grid. Venues may not use the capacity bonus below if any section of the venue includes attendees that do not show proof of negative test or show proof of full vaccination.

Tier 1 Widespread	Tier 2 Substantial	Tier 3 Moderate	Tier 4 Minimal
Existing capacity limits apply	Existing capacity limits apply	Outdoor: Existing capacity limits apply  Indoor: Venues may increase capacity by an additional 50%, up to a max of 50% of total venue capacity.	Outdoor: Existing capacity limits apply  Indoor: Venues may increase capacity by an additional 50%, up to a max of 75% of total venue.

### VACCINATED-ONLY SECTIONS – DISTANCING AND OTHER REQUIREMENTS

- Fully Vaccinated-only sections must be separate, distinct, and clearly marked from any other section of the venue that is set aside for tested attendees.
- Individuals in the Fully Vaccinated-only sections do not have to be physically distanced. Face coverings are required.
- Fully Vaccinated-only sections may be seated at full capacity within that section only. Suites may also operate at 100% of suite capacity if all guests show proof of full vaccination. However, capacity for the venue must not exceed the limits established above.
- There must be at least 6 feet of distance between the Fully Vaccinated-only sections and any other section in the venue.

## TESTING AND VACCINATION STATUS – DEFINITIONS AND VERIFICATION

### 1. Tested-only section:

- a. Definition: Attendees who have tested negative and seated in a section with other attendees who have tested negative. Testing must be conducted within 72 hours before event start time. Results of the test must be available prior to entry into the event or venue.
- b. Verification: The following are acceptable as proof of a negative COVID-19 test result: printed document (from the test provider or laboratory) OR an email or text message displayed on a phone or electronic device from the test provider or laboratory. The information provided should include name of person tested, type of test performed, and date of negative test result.

### 2. Vaccinated-only section:

- a. Definition: Fully vaccinated attendees seated in a section with other fully vaccinated attendees. People are considered fully vaccinated for COVID-19 at  $\geq 2$  weeks after they have received the second dose in a 2-dose series (Pfizer-BioNTech or Moderna), or  $\geq 2$  weeks after they have received a single-dose vaccine (Johnson and Johnson [J&J]/Janssen)

Children (> 2 years of age) who are not eligible to be vaccinated may sit with their parent, guardian, or sponsor in the Fully Vaccinated- only sections if they are tested. Children younger than 2 do not need to be tested and may also sit with their parent, guardian, or sponsor in the Fully Vaccinated-only section. Children sitting with the parent, guardian or sponsor in a Fully Vaccinated-only section are considered for purposes of social distancing to be fully vaccinated.

- b. Verification: The following are acceptable as proof of full vaccination: Vaccination card (which includes name of person vaccinated, type of vaccine provided and date last dose administered) OR a photo of a vaccination card as a separate document OR a photo of the attendee's vaccine card stored on a phone or electronic device OR documentation of vaccination from a healthcare provider.

**Summary of Revisions**

**11/21/2020:** LIMITED STAY AT HOME ORDER -- Stop non-essential activities from 10:00pm-5:00am (applies to counties in Tier One, Purple)

**12/5/2020: REGIONAL STAY AT HOME ORDER**

**REGIONS THAT HAVE AN ICU BED CAPACITY <15% NEW STAY AT HOME ORDER WILL BECOME EFFECTIVE AND CHANGE MUST OCCUR IN 24 HOURS**

The Order shall remain in place for at least three weeks from the date the order takes effect in a Region and shall continue until CDPH’s four-week projections of the Region’s total available adult ICU bed capacity is greater than or equal to 15%. Four-week adult ICU bed capacity projections will be made approximately twice a week, unless CDPH determines that public health conditions merit an alternate projection schedule. If after three weeks from the effective date of the Terms of this Order in a Region, CDPH’s four-week projections of the Region’s total available adult ICU bed capacity is greater than or equal to 15%, the Terms of this Order shall no longer apply to the Region.

**12/7/2020:** Initial version

**12/9/2020:** Updated information and added summary of Public Health Orders with link.

**12/10/2020:** Added additional information on restaurants, bars, breweries, wineries and distilleries.

**12/14/2020:** Added clarifying language for allowances for restaurants, bars, breweries, wineries and distilleries. Added link for co-orts to parks and outdoor recreation sections. Removed links for individual Sacramento County public health orders and included one link to the main page.

**12/22/2020:** Added links to Critical Infrastructure-Essential Worker and Workplace Outbreak guidance.

**12/22/2020:** SUPPLEMENT TO LIMITED STAY AT HOME ORDER –Non-essential retail must cease between 10:00pm and 5:00am.

**1/4/2021:** Added dates for public health orders and Sacramento County Health Order to align with Regional Order. Added additional Resources box for how to access vaccination and testing information/locations. General cleanup of table and formatting.

**1/13/2021:** Updated to include Public Health Order released 1/12/2021 from Sacramento County Public Health. Greater Sacramento Regional existing Regional Stay At Home Order, will be in Purple Tier 1. **Regional Stay At Home Order Lifted**

**1/26/2021:** Limited Stay at Home Order and Supplement to Limited Stay At Home Order lifted as of 1/25/2021. Sacramento County Public Health Order updated and link added. Added links to requirements for schools. Added CDCPH “My Turn” link for Coronavirus Vaccine.

**2/3/2021:** Added new requirements for Youth Sports: team competition, no tournaments, and complete with same or neighboring counties. Added requirement to close pools, spas, saunas, steam rooms for gyms/fitness centers, and removed requirement to close bars, restaurants, wineries, and distilleries from 10pm to 5am.

**2/8/2021:** Updated Places of Worship for Purple Tier I to allow for maximum 25% of capacity indoors.

**2/11/2021:** Public Health Order updated on 2/8/2021-added new link.

**Summary of Revisions:**

**3/9 & 11/2021:** Updated chart for Red Tier allowed activities. Purple Tier Breweries, Wineries and Distilleries can open outside no meal service required. Reservations and time limit 8:00pm

**3/12/2021:** Public Health Order updated

**3/16/2021:** Sacramento in Red Tier

**4/30/2021:** New guidance released by state for Places of Worship, Day Camps and Cardrooms/Satellite Wagering. Chart updated with this new guidance for Purple and Red Tiers. Removed guidance links for Day Camps.

**5/3/2021:** New Face Covering, Fully Vaccinated People Guidance

**Summary of Revisions (continued)**

**5/10/2021:** Updated chart per CDPH Activity and Business Tiers Chart dated 5-10-2021.

**5/13/2021:** Updated link for CDPH guidance for Vaccinated Persons, updated 5/10/2021. Added link to CDC guidance for vaccinated persons.
