The Prop 36 enhancement is applicable when an individual has two prior theft or drug-related charges, making the third offense a felony.

Lieutenant Herman also noted that the City of Citrus Heights is now equipped with approximately 90 license plate readers and pan-tilt cameras. These cameras have assisted in solving several crimes, including a recent hit-and-run incident involving a father and son who were struck by a fleeing vehicle.

Finally, Lieutenant Herman reported that the suspect suspected of orchestrating the JC Penney robbery has been arrested on a warrant from Sacramento County. The Citrus Heights Police Department is awaiting DNA confirmation in order to pursue criminal charges against this individual, who is implicated in approximately \$100,000 worth of stolen jewelry and \$350,000 in property damage incurred from driving a vehicle through the store's entrance.
